Re: Carrier, Collierville Site, TDSF # 79-552

Dear Ms. Brown:

The Tennessee Division of Superfund (TDSF) Memphis Field Office (MFO) has reviewed the Final Feasibility Study for the Carrier Site in Collierville, Tennessee received in this office on 6/8/92.

The TDSF has no comments on this report except to note that the Site name is Carrier, not Collierville. All of the Division's concerns have been adequately addressed or will be provided for in the Remedial Design (RD) stage.
